(954) 681-3342

Education:

- University of Wisconsin-Madison
- B.S. in Computer Engineering and Computer Science
- Graduation: May 2021
- GPA: 3.09
- Relevant Coursework:
  - Digital System Design (ECE 551)
  - Object Oriented Programming (CS 400)
  - Database Management Systems (CS 564)
  - Electronic Circuits (ECE 340)
  - Signal Information and Computation (ECE 203)
- Areas of Interest:
  - Microprocessors
  - Databases
  - Manufacturing

Experience:

- Curt G. Joa Inc. || **Summer Electrical Intern** June 2017 - August 2019
  - Shadowed members of the Electrical department in office and shop floor settings
  - Maintained product database by creating management software and entering data
  - Provided information by collecting, analyzing, and summarizing development and service issues
  - Developed software solutions by studying information needs and investigating problem areas
  - Worked on individual and team projects developing machine vision, PLC, and project management software
  - Languages Used: VB.NET, SQL, C/C++, Python, and RS Logix

- Times Printing || **Machine Attendant** January 2020
  - Maintained a safe and clean working environment by complying with procedures, rules, and regulations
  - Assembled components while managing resources and reporting discrepancies in product output
  - Contributed to team effort by accomplishing related results as needed

- American Orthodontics || **High School Co-Op** April - June 2017
  - Participated in a companywide rotation to observe and participate in different processes throughout the various product manufacturing lines

Activities:

- UW Enlight Computer Projects Club – President (2019 – 2020)
- Boy Scouts of America – Eagle Scout Award (2016)
- FRC Robotics Team 3418
- UW Madison Aikijiujitsu Club
